# PK-4PZ 24 V <br> Electromagnetic relay 

Do not dispose of this device in the trash along with other waste!
According to the Law on Waste, electro coming from households free of charge and can give any amount to up to that end point of collection, as well as to store the occasion of the purchase of new equipment (in accordance with the principle of old-for-new, regardless of brand). Electro thrown in the trash or abandoned in nature, pose a threat to the environment and human health.

# C 

## Purpose

Electromagnetic relay in a single-module housing for direct mounting on the $\mathrm{TH}-35$ rail.

## Functioning

When the supply voltage is applied to the relay coil, the contacts are switched into positions 5-6, 8-9, 2-10 and 11-12.
This state is indicated by a green LED.
After a power failure, the contacts return to the positions: 5-4, 8-7, and contacts 2-10 and 11-12 are opened up.

## Mounting

1.Disconnect the power supply.
2. Mount the relay on the rail in the distribution box.
3. Connect to the system according to the diagram.

## Power table

Table for loads supplied with 230 V AC :

| tungsten halogen fluorescent energy-saving LED |  |  |  |
| :--- | :--- | :--- | :--- |
| 1000 W | 600 W | 500 W | 250 W |
| ten | 120 W |  |  |

The above data are indicative and will heavily depend on the design of a specific receiver (that is especially important for LED bulbs, energy-saving lamps, electronic transformers and pulse power supply units), switching frequency and operating conditions.

## Warranty

The F\&F products are covered by a warranty of the 24 months from the date of purchase. Effective only with proof of purchase. Contact your dealer or directly with us.

## CE declaration

F\&F Filipowski sp. j. declares that the device is in conformity with the essential requirements of The Low Voltage Directive (LVD) 2014/35/EU and the Electromagnetic Compatibility (EMC) Directive 2014/30/UE.
The CE Declaration of Conformity, along with the references to the standards in relation to which conformity is declared, can be found at www.fif.com.pl on the product page.
